APPLICATION AGREEMENT

Do not disclose any proprietary information with respect to your business or technology. Unless you are a client of Procopio, Cory, Hargreaves & Savitch LLP (“we, “our” “the firm” or “Procopio”), there is no attorney-client relationship or privilege that can or should be relied upon. While it is our policy to keep your information confidential, we cannot guarantee its secrecy.

The application process consists of multiple stages. This first stage enables Procopio to conduct a conflicts check, as well as do a preliminary screen for entry into stage two of the application process. That will include some additional questions, as well as the submission of an Executive Summary for the business.

If we progress beyond the preliminary screen, as a part of the overall selection process, Procopio may conduct background investigations and/or reference checks on you, and require in-person meetings and/or presentations regarding your company. If you are accepted into the program, you will be required to execute and abide by the terms and conditions of the Incubator Agreement.
