Professional Summary

Lana Turpie counsels clients on a variety intellectual property and technology transactions. Lana's practice focuses on the licensing and protection of technology and related intellectual property. Her experience in these areas includes drafting and negotiating commercial and intellectual property agreements such as licensing agreements, strategic alliances and joint ventures, R&D collaborations, manufacturing and distribution agreements, and purchase and supply agreements. Lana also counsels clients on performing intellectual property due diligence of target companies in technology transactions, including joint ventures, divestitures, collaborations, and mergers and acquisitions. She also represents clients on general corporate matters, corporate governance, data privacy, and regulatory compliance relating to international transactions, including navigating the requirements of The Committee on Foreign Investment in the United States (CFIUS).

Representative Matters

- Represented multiple companies with reviewing, negotiating, and drafting vendor agreements for services, software, and other products.
