Professional Summary

Jonas J. Hodges is a Partner in Procopio's Intellectual Property Law practice. His patent law practice includes preparation, prosecution, and infringement and invalidity opinions across numerous electrical, mechanical, and software technologies. He has represented Fortune 500 companies and large Chinese companies with patents involving 5G NR, 4G LTE, Wi-Fi, Bluetooth, transistor layout, digital circuits, neural networks, lithium ion batteries, and medical devices. Jonas began his career as an electrical and software engineer first at Motorola and then Intel.
